

Register for an RM Account

RM Parent Portal is an easy to access and effective parent communication tool that allows you to access key information about your child anywhere, and anytime.

You can access RM Parent Portal via a browser on any device or via the smartphone app which is available on both Apple and Android. It has been designed to make engagement between you and your child's school as easy as possible.

1. You will receive an email, like the one below, from your school via RM Unify.
2. Click on the 'Sign up here' link highlighted in blue to start the process.

Join Winning Primary School @ RM Unify

Dear R Harris,

You have been invited to sign up for an account by your child's school, Winning Primary School, who use RM Unify to access a range of online services to support teaching and learning.

Having your own account allows you to access a number of these applications to provide you with news and information about what's going on at school, and to see how your child is getting on. RM Unify can be accessed from any device, including your smartphone or tablet, and from any location.

When you sign up for RM Unify, please choose a secure password.

Please [sign up here](#).

If you have any queries related to setting up or using your new account, please contact the school at lcarr@rm.com.

Best wishes,
RM Unify, on behalf of Winning Primary School

- Once you have opened the link, you will be asked security questions such as “Date of Birth” for one of your children. If you have more than one child at the school, it is advisable to enter the date of birth for your **youngest** child in school. Click next.

Sign up for an RM Unify account at Winning Primary School

You have been invited to sign up for a parent account by Winning Primary School. Please fill in the following form to create your account.

▶ **STEP 1**

Answer a quick security question

Enter the date of birth of one of your children attending Winning Primary School

dd/mm/yyyy

Next

- Review your child's information and ensure you set a secure password. The system will rate your password to help with this process.
